

# VENUMADHAV KOMMINENI

---

## Web Developer

6-21, Madhira, Telangana 507203 | +91 9963596709 | venukommineni61@gmail.com

## PROFESSIONAL SUMMARY:

---

Hi, I'm an experienced front-end developer with a strong foundation in web development principles. Experienced in creating dynamic and user-friendly web applications using HTML, CSS, JavaScript, React JS and Next JS. Eager to contribute to innovative projects and collaborate with talented teams to deliver exceptional digital experiences.

## WORK EXPERIENCE:

---

Accenture

Packaged Application Developer | 22 May, 2024 – Present

- Developed responsive and reusable UI components using React.js, JavaScript (ES6+), and Tailwind CSS.
- Integrated RESTful APIs and displayed dynamic data using Axios and React Hooks.
- Managed application state using Redux Toolkit and Context API for scalable state management.
- Optimized application performance by implementing lazy loading, code splitting, and memoization.

## EDUCATION:

---

Bachelor of Technology

2020 – 2023 | Gurunanak Institute of Technology

## SKILLS:

---

### Languages

JavaScript, TypeScript, HTML5, CSS3

### FrameWorks/Libraries

React, Redux Toolkit, Tailwind CSS, Next.js, Axios

### Backend Technologies

node.js, Express.js

### Database and ORMs

Prisma, PostgreSQL

### Version Control

Git, Github

## RELEVANT PROJECTS:

---

### Email app

It is a web-based email service app which works with standard HTTP requests. It has a dashboard to view the sent and received mails and it has a login page for identifying the user.

<https://github.com/venuKVM/mail-box-client>

React, Firebase, React Bootstrap, Redux Toolkit
